Schools Open Monday, Sept. 6 Notice Special Announcements

The Hamlin Schools will begin registration of pupils on Monday, September 6th. All Elementary pupils will register Monday morning, will be issued their books, and will be dismissed before noon. They will report for regular classes on Tuesday morning at 9:45.

In the High school, seniors will be registered and issued books on Monday morning, beginning at 9:45. The Juniors will be enrolled on Monday afternoon beginning at 1:30. Sophomores will be registered on Tuesday morning, beginning at 9:45 and the Freshmen will be enrolled Tuesday afternoon at 1:30.

The first general faculty meeting is called for Friday afternoon, September 3, at four o'clock in room 5 at the High school building.

The Faculty This Year
Extreme difficulty has been experienced by the board in securing a complete faculty. Especially in the fields of science, mathematics, vocations, and foreign languages are teachers very scarce. Defense industries and other lines of work offer so much better incomes that teachers in these fields have been enticed to leave the profession and college students enter these fields immediately upon graduation. The placement centers in our colleges and universities, along with various teacher agencies, have been contacted and they write that they have no teacher available.

Hamlin has been fortunate, however, in obtaining several new teachers and retaining a number of our teachers from last year. Teachers who have accepted contracts for another year are: Miss Mae James, Mrs. Arnold Griffin, Mrs. V. L. Edwards, Mrs. P. E. Mayhew, Mrs. Leon Thurman, Miss Lala Mae Reynolds, Miss Georgia Moore, Mrs. A. D. Barry, Miss Esther Peck, Miss Lulan Vaughn, Mrs. C. E. Ball, Miss Maggie Mae Seymore, and Mr. H. A. Johnston.

In the High school are Mr. R. H. Campbell, Mrs. Mary Farrow, Miss Loucille Willis, Miss Eula Mae Steen, Mrs. W. A. Cassle, Mr. J. S. Fikes, and Mr. J. A. Beam. Contracts have also been offered to Miss Katherine Jay of Jayton, Mrs. Olive Rackley of Jayton, and Mr. Edgar Carney of Canton, Missouri.

Mr. J. S. Fikes and Mr. J. A. Beam are the new coaches. Both of these young men are subject to call by the armed forces but will serve on our faculty until mid-term.

School buses will make regular runs on Monday and Tuesday. They will not make double runs as they have in the past on registration days.

G. R. Bennett, Supt.

Mr. and Mrs. T. H. Hazelwood of Lubbock were visiting their grandparents, Mr. and Mrs. Hyer last week.

Ex-Teachers, Notice

Any ex-teacher who has a certificate and desires to do substitute work in the Hamlin schools is asked to call the superintendent's office, phone No. 192, and register. We will use several during the year. When substitutes work only a few days they draw three-fourths of the regular teacher's pay. If they teach for a full month, they will draw full pay.

Mrs. J. D. Putnam Deid At 5:15 P. M. Monday

After a long period of suffering, Mrs. J. D. Putnam passed away at her residence in Northwest Hamlin, Monday afternoon at 5:15 o'clock.

Mrs. Putnam was born in Marshall County, Ala., Feb. 13, 1868, and when a child of two years her family moved to Texas and became pioneers of Erath County.

Survivors are her husband, and the following children by a former marriage, whose father was Frank Havins. They are Price Havins of Littlefield, Texas; Mrs. Mary Jones of Olney; Henry Havins of El Cjon, Calif.; Mrs. Ethel Martin of Borger; Holt Havins of Roswell, New Mexico. She also is survived by three sisters, Mrs. Pearl Adams and Mrs. Minnie Porter of Rotan, and Mrs. Sarah Doris of Mingus, Texas, and there are two brothers, Walter and David McCleskey of Caballo, New Mexico. There are five step-children, Sidney and Nelson Putnam, farmers near Hamlin; Mrs. Faith Jones and Mrs. Jewel Fowler, Abilene and Mrs. Leeman Loflin, El Paso. Those of her immediate family attending the funeral were all except the son in Calif. and the brothers in New Mexico.

Mrs. Putnam was married to J. D. Putnam in 1934 and they had made Hamlin their home since that time. She was a member of the Methodist church for many years, and one of the noticeable things about this couple was their harmonious companionship and their joy in attending services at our several churches, walking when able, the many blocks. Funeral services were conducted at the Methodist church Tuesday afternoon, by the pastor, Rev. Harrell. The body was in charge of the Barrow Company and burial was in Hamlin East Cemetery.

If You Don't Know Ask Revenue Collector

He will be at the City Hall Building to assist all taxpayers with their problems relating to the filing of Declarations of estimated Income and Victory Taxes for the year 1943. These Declarations must be filed with the Collector of Internal Revenue on or before September 15th in order to avoid stiff penalties for failure to file and failure to make timely payments of taxes due.

Taxpayers seeking assistance from Deputy Talbot should have the following information immediately available: A copy of your 1942 Income Tax Return; Cancelled checks or other evidence of Income Tax paid on March 15, 1943, and June 15, 1943; Estimate of Victory Tax deducted from wages January 1, 1943, to June 30, 1943; Estimate of Withholding Tax deductible from wages July 1, 1943 to December 31, 1943, and definite estimate of Net Income (Gross Income less allowable Deductions) from all sources, for the calendar year 1943.

Meeting Going Good At Church of Christ

The local Church of Christ is in the midst of a fine Gospel meeting which began Sunday, August 22, and will continue through the remaining days of August. Brother Cornelius C. Abbott of Chickasha, Okla., is the evangelist for the occasion. Brother Abbott has done a very successful work over the United States during the last fifteen years as an evangelist of the Church of Christ. Before moving to Chickasha, Brother Abbott was minister of the church in Marietta, Okla.

The Gospel singing for this meeting is under the direction of J. W. Treat, Abilene Christian College, Abilene, Texas.

Below is a running summary of the sermons preached by Brother Abbott thus far in this series of meetings.

Sunday Morning, August 22
"Go On Unto Perfection" (Heb. 5:12, 6:3). The Christian life challenges the best that is in us. We are born into the family of God and then as new-born babes we grow, first by "the sincere milk of the Word," (1 Peter 2:2). In the language of the text let us "leave the first principles of the oracles of God... and go on unto perfection." There must be progress in the Christian life. Sometimes people believe in progress in everything but the work of the church.

Sunday Evening, August 22
"Man Shall Not Live By Bread Alone." Jesus said (Matt. 4:4), "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." A bread diet would soon get old as far as the physical body is concerned: day after day, nothing but bread. In the spiritual realm the truth is equally applicable: not by bread alone but by "every word that proceedeth from the mouth of God." Men today are prone to just take a PART of God's word—it takes every word that God has spoken on each subject. Salvation, for example, requires more than FAITH; it requires all God has said on the subject; the blood of Christ, the love of God, the grace of God, the body of Christ, repentance, confession, baptism, the righteous life, and even "save yourselves." Yes, we are saved by giving heed to EVERY WORD that proceedeth out of the mouth of God.

Monday, 4 P. M.
"Things for Christians to Consider." A body to control, and a God to glorify. We must not get too busy to remember as Christians that we have but one time to live; to meet death, and an eternity to spend. So let's get ready for all of this while we have time and opportunity.

Monday Evening, 8:30
"What Will You Do With Jesus?" Judas betrayed Christ; some of the disciples turned back and walked no more with Him (Jn. 6); even Peter denied his Lord. Pilate tried to wash his hands of the responsibility of doing something with Jesus but that did not supply an adequate answer nor a reliable substitute for a right action. Jesus is of such a nature that every man has to do something with Him; either accept Him or deny Him; "he that is not with me is against me." Other people procrastinate and delay making a decision for Him, but even that is a decision AGAINST Him, just as in the case of King Agrippa: "Almost thou persuadest me to be a Christian," but that was just ALMOST, which is "but to fail."

Tuesday, 4 P. M.
"Things Expected of Us." God expects open ears, an honest heart, our love for God, our worship of God, and OUR VERY BEST.

The church expects us to support it, put it first, make it grow, and behave as becometh Christians.

The family expects that support and nurture and admonition of the children in the Lord.

The world expects honesty, the Gospel, and Christians who are "unspotted from the world."

Tuesday Evening

"Can a Good Man Be Saved Out of the Church?" Christ purchased the church with His own precious blood, Eph. 5:25. Then if a man can be saved out of the church Christ shed His blood in vain, needlessly.

The blood of Christ saves us from sins; yes, but we must reach that atoning blood which is in His body, the church, Eph. 1:22-23, Col. 1:18, 24. To be in Christ is to be in the

Baptists To Vote On Call of Pastor Sunday Morning

The Wednesday night conference of the First Baptist church decided that the church should take a vote, after the Sunday School hour, this Sunday, on the call of a pastor. The Herald is requested to make this public announcement in order that the members may know so he or she can be on hand to acquaint themselves as much as possible and vote according to what they may feel best.

It was the will of the conference that at least two ballots should be taken Sunday and if a minister by that time has not received a majority vote of those present and voting, then in that case, the call be postponed till a future date. The program Sunday will include a short devotional period and the balance of the time will be a business conference.

Mrs. F. B. Moore's Mother Died Tuesday

A message came to Mrs. F. B. Moore Tuesday morning that her mother, Mrs. C. S. Calhoun, was not expected to live many hours. She left immediately and about noon or shortly thereafter, Mr. Moore received a message that she had died. Her home was at Wellington, Kan. She had been in ill health for some time.

Mr. and Mrs. Sam Tindal of Littlefield came down last week to visit with relatives through Sunday.

church, and there is no salvation out of Christ. If one man, a good man, can be saved out of the church, then cannot the same be said about two men, one hundred men, a million men, yea All Men? Then Christ died in vain! Nay, there is no salvation out of the body of Christ, which is the church of the Lord Jesus Christ.

Miss GERALINE Elliott Very Ill At Hospital

It is shocking to learn that Miss GERALINE Elliott, recent Hamlin High school graduate, and local telephone operator, is at the point of death in the Stamford Hospital.

Circumstances, according to reports are that on Wednesday night of last week Miss Elliott was going about as usual and attended prayer meeting at the Church of Christ, and either there or soon after she took very ill and by eleven o'clock she was rushed to the Stamford Hospital. Reports are that the trouble is some form of kidney trouble or uric poisoning. Her condition grew worse rapidly and her brother, J. R. Elliott, a member of the Air Force in Florida, was called and he arrived Sunday. By Wednesday doctors gave out their opinion there was little chance for her recovery.

MISS ELLIOTT DIED

Death came to Miss GERALINE at 11:50 o'clock, Wednesday night.

Funeral services were held at the Church of Christ Thursday afternoon at 5:00 o'clock. She was born on July 1, 1923. A full sketch of her life will be given in next week's Herald.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

—Yes sir, by now Berlin knows what it is to be bombed. But the experience it not over.

—Yes sir, there are several things that Hamlin NEEDS. And we'll not get anything more unless we get anxious.

—Yes sir, the first thing good Americans want to do is to try to feel that all kinds of War Regulations are for the common good, and for the winning of the war. Nothing imposed upon us at home can equal what the boys over yonder must bear. Take it easy Bud, and be thankful that bombs are not falling on your land.

—Yes sir, that makes us want to ask, "What do you think is the chief factor that has kept this Western Hemisphere so free from the death and destruction known in Europe and Asia?"

—No sir, no rain has fallen "yit". It is as hot as that place in California that the soldier boy said was just five miles from, from, well, a bad place.

—Yes sir, one of the many things a newspaper is called upon to do, is to air out the complaints of the community. For example one good lady told us Saturday that something should be done about "somebody" throwing dead hens out on the road-sides. She says, "Why, they pile 'em out in two and three sack fulls," and she then says, "I burn my dead chickens." You see folks, the hot weather has killed thousands of chickens in West Texas.

—Yes sir, we read a letter in the Rotan Advance where a boy was down at Corpus Christi, saying, "You folks up there must be having a sweating good time" and "shucks, it is not quite a 100 down here but by 9 A. M. we feel like we had been dipped in a barrel of sweat. Why down here, since the storm, the mosquitoes are so hungry and lazy you can't shoo them off...just got to brush them down and gosh, I'll take West Texas to this place." So, isn't it a good feeling to wake up and once again feel that refreshing, cool, brisk breeze, so gentle and welcome after the long, long nights from sundown to sun up? Ain't it?

Congressman Russell Visited Hamlin Friday

Congressman Sam Russell was in this part of the District last week, shaking hands with friends. He was a guest of Mr. and Mrs. C. P. Chastain, and Mr. and Mrs. Perry Sparks here last Friday night and left early Saturday morning. It is likely that arrangements will be made to have him return before the Congress meets again, and address a substantial gathering of Hamlin community people.

To have a member of Congress visit with his constituency during a recess of congress is the ideal of democracy. It is a pretty good idea for representatives to know the pulse of the people, especially in a time of war. One Congressman from one small section of the nation is but a speck in the great mass of districts and humanity over the nation. It is not so necessary for the people to hear what their representative has to say but it means something for him to hear questions and expressions of the people. So if Mr. Russell should get a chance to talk to Hamlin people it would be equally as profitable for the listeners to prompt his talk as for him to explain what the Congress has been trying to do with the dozens of puzzling questions passed upon the past 18 months.

MRS. I. C. FUDGE DIED

Information reached Hamlin on Thursday morning that Mrs. I. C. Fudge, who had been in California, and was on her way back home, died in El Paso, Wednesday night, Mrs. Fudge formerly lived in the Flat Top community.

About Russia

Russia is the "Mysterious Nation" so much so till there is no way to tell or figure what they are up to, or will do.

One thing seems certain, the Russians are the first people in the world to let old Hitler have all he can take. So, as long as there are any German armies on Russian soil there seems little chance for Hitler to get a breathing spell from Russia. A separate peace is absurd, till Hitler's power is absolutely broken by Russia or somebody.

There's no nation more deserving to enter Berlin fighting a victorious battle than the Russians. And there is no army that Germany fears more than the Russians. Think what a couple of million men would do to Berlin in a few days! Does any one think Russia has forgotten the misery and deaths that the Germans have inflicted upon Russia? It is a fight to a finish.

It is hard to understand the realistic views the Russians hold towards other nations. Notice they do not brag and blare out what they are going to do, but they wait till it has happened. In the meantime they keep silent and grind away hard till their enemies or themselves give in or back.

The stage is set, and we predict that by September 1, one of the most gigantic movements of troops and sea power ever attempted will take place. It will in fact give the United Nations about three good months to determine whether this war is to last till Christmas or next spring on the winter of 1944. The striking power of the United States is just now going into high. There is no doubt what time will deliver to our armed forces.

Notice that lately the Herald has had little to say about Japan. That is a dark, hard subject that makes

us shudder to think about. But this much right now... WE believe before the end comes, every Japanese ship, on the water and under the water and in the air, every port, city and factory will be blasted, battered, scorched and burned... then what? and then what?..... only time will tell. We reserve Japan for a future editorial.

But Russia? It is hard to think Russia will cause other nations fighting Germany, any trouble. But she does deserve a mighty big position at the peace table, and to deny her that might cause more trouble than any nation wants. Russia has earned a place in the world that can not be denied.

Mrs. Bert Whaley returned this week from Shreveport where she had spent several days with her daughter-in-law, Mrs. Bert Whaley, Jr. In her absence the "old man" had to batch and Saturday he said it was hard for him to make up his mind which he wanted the most—a cook or a rain. Finally Bert said "Believe I'll tell my wife to stay down there till it rains." His son, Lieut. Bert Jr., is in India.

Cyriel Graham came up from Houston Sunday to visit with his mother, Mrs. J. O. Parker and to get his little daughter, Dona, who has been with her grandparents, Mr. and Mrs. Doby.

Mr. and Mrs. Coy Fielder and little daughter, Phyllis Ann of Tahoka came down last week to visit their parents, Mr. and Mrs. Alvin Dean near Bod Chapel. Coy is with a good bank in Tahoka. He said they were not hearing so much from his brother, Major Leo Fielder who is a pilot in the Italian war zone. Leo had a chance to come home but he told them there is a war on and "let's stay and finish it."

MISSING IN ACTION

The friends and neighbors of Mr. and Mrs. W. R. Townsend in Hitson community, sympathize with them in these trying hours that they are suffering because of a message from the War Department that their son, D. T. Townsend, a Paratrooper, has been missing since July 10, in the invasion of Sicily. We know the deepest feelings exist in the hearts of all of us who knew their brave son. They received the message last Saturday morning. It appear that Donnell was in the front group of the attack. He was certainly a brave determined young man. We still hold out that there may be some chances that he is yet alive, maybe a prisoner of the Germans or Italians, taken out of Sicily in the first days. Let's hope.

T-Corporal George I. Kinney of Camp Ellis, Ill., accompanied by his wife, a daughter of Mr. and Mrs. Editor, arrived on Thursday night of last week for a 14 days furlough with home folks in Stamford and Hamlin. Boyd says they are soon leaving for California to get accustomed to the HEAT on a 13 weeks maneuver. Another former Hamlin boy, Pfc. James Whitaker, was a guest of the Westbrook family Saturday and Sunday, just before starting for California. That just fits James. His father lives in Los Angeles and so he will be nearer home. James is enthusiastic about their big field guns, and says if they get in range of the Japs, it will be "Japs blowed up."

Pvt. J. D. (Buster) Bingham of the Lubbock Air Field and his wife came down from that city last Saturday on an eight days furlough with home folks. Mrs. Bingham also visited her mother, Mrs. J. E. Foote in Abilene.

Pfc. Jay (Pinky) Fitzgerald enjoyed a week end pass at home with his wife. Pinky is one of the Hamlin boys still helping operate the Lubbock Air Field.

Pfc. Elton Cheshier of the Wichita Falls Air Field was down last week to visit with his parents, Mr. and Mrs. Jeff Cheshier. He was accompanied by his wife and little son Charles Loyd who have been in Wichita Falls the past four months. She will remain here, pending the new location of her husband.

Spencer Liles, Seaman 1-C, arrived home from the Pacific Monday, after an absence of 14 months to visit with his parents, Mr. and Mrs. Sid Liles. Spencer has been a "fur piece" away from Hamlin, but the old Herald found him just like he was in some of the states.

Pvt. O. D. Boiles has been transferred from the March Field Air Base, Calif., to Camp Berkeley, where his twin brother B. H. is located. Both of them are assigned to the M. P. Pvt. O. D. was in Hamlin this week while on his way to join his brother.

Ye Herald has enjoyed reading some letters from our young flying friend, Teddy E. Russell. We noted he was on a long trip by train into Ky., by way of Arkansas and Tenn. He said it was night through Ark., and so he could not brag on the country. Tennessee looked pretty and the tobacco caught his eyes. Up in Ky. the wind was gentle and cooling and the water was ice cold. Then he flew down to Lebanon, Tenn. (Say, Teddy, you are getting near our old home, about 30 miles up the Cumberland). Teddy said he was camped out in the trees, and he did not care if they just kept him there. Teddy is trying to get in his flying hours, but it was raining too much, and he kept comparing everything to Ruidoso. (Gosh, Teddy, we had forgotten it was that delightful).

Pvt. James Tate May arrived home from Camp Maxey last Saturday night, for a 15 days furlough, following his 15 weeks of basic. He will next report to Camp Wolters, where he will be assigned some branch of the training.

Army Boys Are Coming!

Yes Sir, if you see "The Army" stop out in front of your house right soon—don't get "skeered."

There are "Soldier Men, under the leadership of Sgt. Strane, from Camp Barkeley now working Jones County with trucks, cutting torches and lifts—hunting by every house.

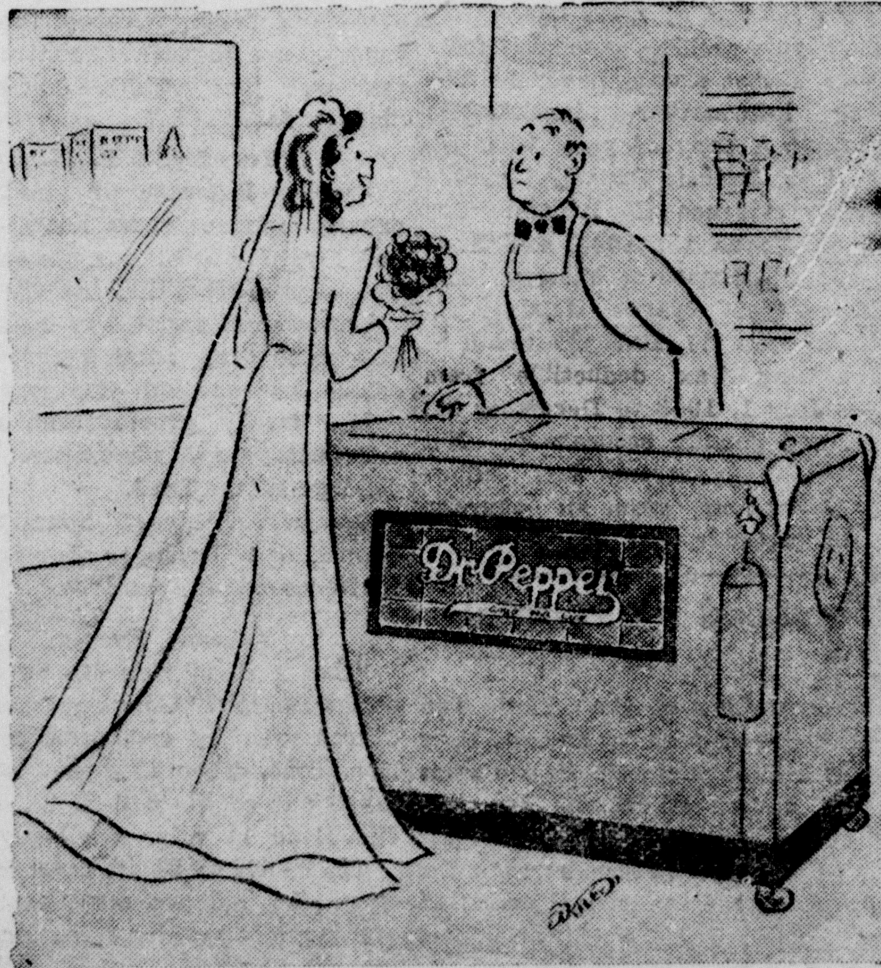

SCRAP IRON

The Army wants scrap iron that the people can't use and are willing to GIVE to help win the war. Will you look around, find some more old iron—pile it out or POINT it out to the soldiers? They will not touch it unless they are sure you want to give it.

HELP THE ARMY

Let's give 'em plenty of scrap to throw at the Japs. Don't fool around—the Jeeps are coming. Prove you can help.

Hamlin Chamber of Commerce

"Please hurry with that Dr. Pepper. I want to get back before they come to the question I'm supposed to answer."

Army Photo Service Grows
The Army's radio photo service, which made it possible for the public to see newspaper pictures of the assault on Sicily on the same day that the invasion was launched, will be augmented in the immediate future by the same type of transmission from the South Pacific theatre, the War Department has announced. Personnel of the U. S. Army Signal Corps, with their equipment, are now in Australia, finishing preparations for the new service.

Cost of Living Drops
With other living costs relatively stable, a drop in fresh vegetables and butter prices cut the cost of living for city workers by 0.2 per cent in the month ending June 15—the first month to show a reduction since a year before Pearl Harbor, the U. S. Department of Labor reported recently. Food prices as a whole making up over 40 per cent of the cost of living index, declined 0.8 per cent. The cost of living index now stands at 124.8 per cent of the

Before leaving for Hollywood and a probable movie career, pretty Elsie Roberts, National Bond Queen and University of Houston coed, did her part for the Texas Deposit Bottle Round-Up. Dressed in typical Texas costume, Elsie loaded into a basket all the milk, carbonated beverage and beer bottles in her home, mounted the beautiful Palomino horse, on which she is pictured, and rode to her beverage dealer. "Keeping deposit bottles working is not only a patriotic duty," Miss Roberts said, "but I'll get my deposits back which can be invested in War Stamps."

1935-39 average. Food prices are 45 per cent above January 1941, and more than 16 per cent above May, 1942.

Point Reduction Continued

The provision permitting retailers to make emergency reduction in the point values of rationed meats, fats and dairy products in imminent danger of spoiling, which was to expire July 31, has been extended indefinitely, OPA has announced.

W. L. Cash returned Monday night from the San Angelo Sanitarium where he had been over a week taking treatment for his eyes. We are sorry to learn that the doctors pronounce his right eye as gone. However it does not show much weakness just to look at him. Mr. Cash is one of our old timers and with the exception of his eyes, he is rather husky and as jolly as ever.

Mrs. Charles R. Williams is visiting in the home of her parents, Mr. and Mrs. D. W. Carlton. Her husband is in the Coast Artillery, and in some point outside of the U. S. She is making her home in Abilene.

Mrs. D. F. Bishop and daughter, Mrs. Bertha Hill of Richmond, Texas, came up Thursday of last week to visit with parents and grandparents, Mr. and Mrs. H. C. Smith. Mrs. Hill's husband is in the Navy.

Arthur W. Gray, of Georgetown, a former prominent citizen of this community, is reported as having lost his left arm last week in a gin accident. Mr. Gray has been manager of a Farmers Cooperative gin in Georgetown the past twenty two or three years. The reports indicated that Mr. Gray came near death but is now coming on as well as could be expected.

FAIRVIEW BAPTIST CHURCH

The Fairview Baptist church in Abbey community announces that its revival meeting will start Sunday, August 28th, and will continue thru Sunday, Sept. 6th.

Servises will start nightly at 9:00 o'clock P. M., and they will be held in the open air.

Rev. Tom Keenan, who has been pastoring the church for the past ten months, will do the preaching. Bro. Keenan, who came to Fairview from the Bircham Ave. Baptist church of Fort Worth, has been continuing his studies at Hardin-Simmons University. Recently, he and his family moved onto the field. Under his leadership, the church has gone from half to full time, has organized a Training Union, and has shown departmental and financial gain.

The congregation of the Fairview Baptist church cordially invites everyone to visit during this meeting, get acquainted with the pastor, join in the singing, and hear the gospel preached in Spirit and in Truth.

Card of Thanks

We feel deeply grateful to all of Hamlin who did anything or express their love and sympathy towards our dear wife and mother during her long illness and at the hour of death. For each and every thing the neighbors and friends did we take this means of thanking you sincerely.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

The first bale of cotton for this season was raised by W. F. Davison and ginned by the Texas Cotton Growers Gin last Friday, August 20th. The second bale also was brought in by Mr. Davison and L. W. Griffin was a close third. The first bale was bought for 20 cents per pound and the other two bales for 19 cents. Mr. Davison's first bale weighed in the seed 1975 lbs. and made even 500 lb. bale; the second and third bales weighed 512 and 513; all were ginned and purchased by the Texas Cotton Growers Gin.

Well, folks, we told you so. Remember a few years ago when we predicted that McCauley would make an oil field? Yes sired, it's done gone and happened. The Eivens No. 1 two miles south of McCauley was drilled 600 feet deeper and lo and behold, she blew in last Sunday and with oil shooting one hundred feet in the air and spraying cars and people clear across the old highway and with the well flowing at least 75 barrels per hour, the natives are all smiles around the old home town, and it looks like royalty and leases will be in demand. If you think we are stretching the truth a little, well, we ask you to see Mr. McBride, one of Hamlin's cotton buyers who got his car oiled good and plenty when he drove out to the well last Sunday. Yes, Willard Maberry was along, too, so you can see if you

give us a little time we can prove everything we write (we hope).

Miss Nancy Ruth Williams of Hugo, Okla., a niece of Mrs. L. H. Boyd is spending two weeks in the Boyd home. Sue Bledsoe of Hamlin is also a guest in the home of the Boyds.

Mrs. Leta Johnson, a daughter of Mr. and Mrs. P. S. Hemphill is a visitor in the Hemphill home.

The ladies prayer meeting group met last Thursday in the home of Mrs. Byron Maberry. The afternoon was spent in prayer and Bible study, with Mrs. Ray Mauldin as leader. Those present were: Mrs. L. Lawliss, Mrs. O. S. Stribling, Mrs. H. J. Jones, Mrs. W. C. Mitchell, Mrs. Webb Kilginsworth, Mrs. Plez Ferrell and daughter, Mrs. Jim Phillips and children, Mrs. Cecil Kaiser, Mrs. Geo. West, Miss Bennie Ruth Bell, Mrs. Ray Mauldin and the hostess. The next meeting will be in the home of Mrs. Homer Lawliss.

Thanks to Byron Maberry for a year's subscription to the Herald. Watch the date; your paper may run out too.

The McCauley school opens for business on Sept. 9th. The lunch room at the school is being redecorated and will be modern with gas and other necessary equipment.

Aug. 17th at the high school auditorium, Mrs. C. E. Ball of Hamlin gave a book review, "The Robe," by Loyd Douglas. All who heard Mrs. Ball expressed great pleasure and the review was beautifully rendered. Also on the program was Mrs. Turner Beard who sang "Were You There?" a very inspiring number. The program was sponsored by the Wesley Fellowship Sunday school class. Mrs. J. A. Jackson is teacher.

Mr. Blue of the Texas Railroad Commission was over Monday to inspect the Eivens No. 1 which was flowing gold all over the country side two miles south of McCauley.

Mr. and Mrs. Leslie Phillips of Munday, Texas, visited last week in the home of her parents, Mr. and Mrs. O. C. Prather near McCauley.

Mrs. George Maberry and daughter, Dixie, have returned to their home after several weeks' visit with relatives in Oklahoma City.

B. Fancher and Bill Maberry of Lamesa were visiting relatives in this vicinity this week.

Mrs. Ben Short spent several days in Abilene last week visiting with relatives.

Billie Ray and Emma Jean Martin of Ropes, Texas, have been visiting in the home of their aunt and uncle, Miss Ruby and Harvey and Albert Henington.

Mrs. Turner Beard left this week for Itasca, Texas, where she will teach in the schools.

The younger set of the community enjoyed a party in the home of Mr. and Mrs. C. A. McHone last Wednesday night.

The annual 4-H club picnic at the tabernacle last week went over with a bang and as usual there was plenty to eat.

On the night of Sept. 2 at the Tabernacle, there will be a fine program for the benefit of the U.S.O. and all the folks in this community are urged to attend. Mrs. L. H. Boyd, Mrs. J. A. Jackson and Mrs. Geo. Darden will arrange a program which will be of interest.

Billie Max Waldrop of Abilene visited his parents, Mr. and Mrs. E. C. Waldrop one day last week.

COMMENT NO. 1: The Russian situation seems to be giving some Allied statesmen the jitters. Joe Stalin is rather a peculiar kind of fellow and personally, we have never had too much confidence in the Russian set up. If Mr. Stalin would give American and British air fields from which they could bomb Tokyo, it seems to us that all concerned would benefit by same. Japan and Russia are old enemies beyond a doubt and sooner or later war between the two nations will surely come and by giving their Allies air bases now it would perhaps shorten a war which may be long if Russia does not cooperate fully with Great Britain and America. Yes, it is true we would have had much harder going if it had not been for the Red army, but on the other hand, Russia would have been whipped if it had not been for the lend-lease from America and Great Britain. Mr. Stalin may be seeking a separate peace with Hitler but if such should come to pass it will be only a temporary peace which cannot last and since the Russian people have suffered such terrible hardships and since their country was practically over-run by the German hordes, most folks in this country can see no point in a separate peace. Now's the time of year to take a careful look at the fresh vegetables on the market, for varied menu inspiration. The ways you can serve these garden treats are almost limitless—and they do wonders for lazy appetites.

COMBINATION SALAD PLATE—A whole meal on one plate! Arrange shredded greens on large plates. Lettuce, other salad greens, or crisp, raw spinach may be used. In the center of each plate, place large tomatoes hollowed out and filled with chopped egg, meat or chicken salad. Around the tomatoes, arrange a circle of chilled, cooked peas, then another circle of sliced, pickled beets. Pass the salad dressing separately. Hot cheese biscuits or toasted cheese sandwiches are delicious with this. And custard or pie fits in well for dessert.

MIDSUMMER PLATTER—At one side of a large, heated platter, place pastry shells filled with creamed, sliced, hard-cooked eggs and peas. In separate groups place mounds of sauteed, shredded cabbage, broiled tomato halves and broiled fresh peach or apricot halves. Serve with toast or crackers, and follow with a fruit bread pudding.

HOT WEATHER SALAD PLATE—Place in separate lettuce cups a generous serving of potato salad, chopped spiced beets and cottage cheese, and cooked, green string beans. Garnish with cucumber and carrot strips. Serve your favorite dressing separately, and pass a plate of oven-hot muffins. Apple pie and cheese will polish this meal off.

McCAULEY PICNIC

Thursday evening, August 19th, the McCauley Home Demonstration club women held their annual picnic under the Tabernacle, complimentary to their husbands.

This year, however, the club voted to make it a community affair. Each family represented brought a basket. The ladies are to be congratulated on the food served; it was nicely prepared and daintily served, in picnic style, and there was plenty for all. No ration points used and nothing wasted.

Mrs. Louis Boyd was mistress of ceremonies, in absence of the president, Mrs. Ted Abbott.

Miss Charline Mustain led the singing, which included "Old McDonald Had a Farm," "Dixie," and "America."

Mrs. Happy McHone was in charge of the recreation. In a question and answer contest, Luther Rector, Louis Boyd and Melvin Courtney, Mesdames Louis Maberry, Turner Beard, Dick Maberry acquitted themselves very nicely by answering the most questions. The

MT. ZION NEWS

By Billie Jo Cooper

Here comes a bit of news from our community that may be of some interest to our fighting men.

The young people of this community enjoyed an old fashioned hay ride Friday night. The wagon and tractor used were furnished by Coy Thompson who was also the chaperon. They went to Rotan and the means of travel was slow but fun. They like to think that they were helping save gasoline and tires in their own small way. Of course, the tractor had tires and took gasoline to run it, but it would have taken more than one car to have carried eighteen people.

It is a general rule for the young people to gather at someone's home every Sunday afternoon, so that they will not go some distant place that will take the use of too much gasoline and make too much wear on the tires. We must entertain even though there is a war on. Sunday afternoon we went to the home of Adelle, Kay and Doll Thompson. Games, songs and music were enjoyed by all.

Barto Jameson and family spent the week end at Floydada visiting relatives.

Rev. Massey held our church services Sunday because of the absence of our pastor, who with his family, is enjoying his vacation in East Texas.

Ollie Mae Warlick accompanied by her father, Dick Allen, went to her home in Monroe, La., Tuesday.

Mr. and Mrs. W. L. Hunter went to Fort Worth Monday to be with Mr. Hunter's mother, who was then very ill. She is 85 years of age.
